

# Mike's Carwash partners with TCH - raises nearly \$14K

Mike's Carwash stopped by our Red Bank Expressway campus Sept. 11, which houses The Children's Home autism services and preschool programs, and presented the students with a check for nearly \$14,000.

The check stemmed from a fundraiser held at the Mike's Carwash Milford, OH location Sept. 6-8. Some of our students volunteered to participate and our friends from Mike's stopped by and presented these same students with the check reflecting the funds they helped raise for The Children's Home.

“You'd be hard pressed to find a group of more selfless and hardworking young people than these students,” said John Banchy, president and CEO of The Children's Home. “They took time away from school and their weekend to help give something back to the community we serve and to future students. I couldn't be more proud of what they've accomplished.”

The funds will go right back into supporting the programs under the umbrella of The Children's Home.

“Our 156 year history is one of partnerships, collaborations and working together to serve those who often have nowhere else to turn,” said Banchy. “Our partners at Mike's Carwash are a great example of how mutual partner-ships can benefit where we work, live and raise our families. I'm very proud to have them in our corner as we continue to serve children and families in Greater Cincinnati.”
